

Camp Vermilion Workday

(218) 666-5465
vlm@vlmcamps.org
www.vlmcamps.org

We are happy to invite you to **Camp Vermilion for Camp Workday, Saturday May 16, 2009** to get the camp ready for summer. Workday will begin at 8:30 - 10:00 a.m. with coffee, juice, rolls and registration. Lunch, with blessing and welcome will be served around noon.

You are welcome to stay overnight prior to and after your labors. Bring your youth group/family/friends. We are having a pizza party and a campfire on Friday night and would love to have you join us in the fun. Please call the office 666-5465 with number of people coming.

Saturday is the start of the work projects, some Special Projects are listed below and the Cabin Projects are listed on the backside of this letter. We have listed the cabins by order of each congregation. A few of the cabins do not have a sponsor and feel free "adopt" one for the day (or years to come!).

If you wish to do one of the special projects listed below - please call our site manager, Rick Scheuring at 218-780-2038 to check in with him on details.

Amphitheater – to install lattice work around the deck. Paint the deck and the lattice.

New Log Arch to the camp fire ring.

Downed tree removal.

Stump and rock removal - - someone interested in bringing a mini excavator with an operator?

1st team of 2-3 people that will do **chimney inspections** on the Chapel, Bakk House, Priest House and Sauna.

2nd team of 3-4 people to do **Outhouse structure repair** – painting, hardware, door repair.

3rd team to do **firewood**
Stacking, hauling, piling firewood.

Notice: All teams above if possible it would be great to bring a 4-wheeler for transportation.

The General Cleaning List for All cabins is:

Exterior: clean webs, pollen, pine needles and inspect walls for bees and birds nest and remove if needed. General clean up/raking, etc around the cabin.

Interior: sweeping, dusting, windows, and wiping mattresses down.

Any paint will be provided by the camp. If the church would support the purchase of that paint at \$22 a gallon that would be wonderful.

If the church would like to purchase mattresses for their cabin – contact the camp office for a mattress distributor name and contact information.

Check out our camp website: www.vlmcamps.org for an updated **Showers/Wish List** on the "How Can I Help" page.

*** **Camp Hiawatha Projects** – please contact Kevin at 218-246-8604 and check the web after 5-1 for list of updated projects.

Please call Rick S., Camp Vermilion Site Mgr (218-780-2038) to discuss the project listed below for your cabin.

In addition to these projects we also need cleaning in the interior & exterior of the cabins - please bring appropriate tools, cleaning items.
