FAMILY CAMP

July 21-26 or July 28-31, 2024

About Family Camp

Family Camp is spending time together in the beauty of the north woods. Each day includes opportunities for worship and Bible study, as well as swimming, canoeing, creating, games, and simply spending time together as a family. Our hope is that your family will be renewed in your time at camp – as you share meals, worship, play and grow in your faith together.

Families are all shapes and sizes, so we welcome all to Family Camp – moms, dads, aunts, uncles, nieces, nephews, grandparents, grandchildren, individuals, friends, etc. We are pretty sure that after your Family Camp experience, you'll discover that your family got a whole lot bigger!
